## Newsletter for Emmanuel Lutheran Church

Grace and Peace!

In Isaiah 43:19 God says, “I am about to do a new thing; now it springs forth, do you not perceive it?” I have always liked this particular verse from Isaiah because it shows just how excitingly God often works in our lives – even if we often don’t realize it! God is continually at work doing a new thing for the healing of the world’s brokenness. We see this most clearly in the life, death, and resurrection of our Lord Jesus Christ. Although all this happened over 2,000 years ago, Jesus is still made alive and present to us today through the Holy Spirit. The gifts that come from our Lord Jesus – eternal life, the forgiveness of sin, a call to loving service, and hope for Jesus’ return to reign among us – are present and available to us now and come to us first and foremost through Word and Sacrament. We receive these gifts when we hear the gospel proclaimed through the words of Holy Scripture and in preaching. Additionally, we receive the gifts of Christ through the sacraments of Baptism and Holy Communion. These are tangible signs that God is indeed doing a new thing among us.

We encounter God’s saving work most fully in Word and Sacrament. But that’s not the *only* place we encounter it. God also works powerfully in the life of the Christian community. Mary and I see this clearly in the community of faith here at Emmanuel. We see it in our recent decision to become a *Reconciling in Christ* (RIC) congregation, where we publicly pledge to love and affirm our LGBTQIA+ siblings. We also see God at work in the love and faith that permeate the service of all those who participate in Emmanuel’s various ministries. This was made particularly clear this past Rally Sunday as Mary and I enjoyed food and fellowship with all of you and as we learned about all the exciting opportunities for ministry here at Emmanuel. I encourage all of us to take a moment this week to drop by and check out the various displays outside the sanctuary. Perhaps you are already involved. If so, celebrate that! And if you’re not, I encourage you to take a moment to discern how God might be calling you to be the hands and feet of Christ in the world through Emmanuel’s ministries.

But our calling as Christians – as disciples of the risen Christ in our midst is certainly not confined to church work. Rather our call to love and service extends to all aspects of our lives. There is no part of our daily experience that is not filled by the presence of God. In other words, each of us has a unique vocation that God uses. So, as we go about our daily routines, whatever that may be, let’s ask ourselves: What new thing is God up to today? And what is God calling us to be and to do? Mary and I would love hear your stories about how God is at work in your life!

Peace in Christ,

-Josh Parris

We remember people, communities and regions affected by recent flooding and widespread wildfires and pray for their safety, recovery and rekindling of hope and fortitude in the wake of devastation and loss.

As children of God – disciples and followers of Christ – pray for humility, accepting that we are not granted privilege, praise or reward for being members of the body of Christ but are instead called to lives of service, sacrifice and witness for the sake of the world and our neighbors in need.

Pray we work diligently to change our perspectives, behaviors and practices that make assumptions based on traditional roles or bias, undervalue or ignore the value and gifts of women and children in the church and society.

Ask God to bless the numerous ways in which our congregations, ministries, members, synods, churchwide programs, organizations and ecumenical partners work together to care for our neighbors and spread the good news and hope of Jesus Christ.

All knitters in the church are invited to join the Knit Wits on Wednesdays from 1:00 – 3:00 in the parlor. We will begin making items for the warming tree soon. If you don't knit and would like to learn, we can help you

with this as well. Come join the fellowship and service to our church and community.

**Knitwits** - Will you help the Knitwits with their ministry? They buy a particular type of yarn to make prayer shawls, and the yarn for one costs about \$30. Any monetary donation amount would be appreciated.

On September 8<sup>th</sup>, Emmanuel voted to be a **Reconciling in Christ (RIC) congregation**. Being RIC means that as a church, we publically state that we love and affirm our siblings in Christ who are lesbian, gay, bisexual, transgender, or queer. Such a statement naturally flows from our identity as disciples of Christ Jesus. Welcoming all people is a concrete way that we obey Jesus' command in John 13:34-35 where Jesus says, "I give you a new commandment, that you love one another. Just as I have loved you, you also should love one another. By this everyone will know that you are my disciples, if you have love for one another." Being an RIC congregation means that we are committed to loving all people in imitation of Christ. Being RIC is one of the many ways we are welcoming. Emmanuel will continue in the worship, community, and ministries that are part of our history – past, present, and future – only now as we go forth into the future, we do so with a renewed sense of just how wonderfully inclusive the love of God really is! Thanks be to God! Amen!
